

MB-AZ-3-Trial

Weidmüller Interface GmbH & Co. KG

Klingenbergstraße 26

D-32758 Detmold

Germany

www.weidmueller.com

ModelBuilder by Weidmüller empowers machine and process experts to create powerful machine learning models—without any programming skills. The software guides users step by step through data import, visualization, and model training. Models can be built quickly, deployed locally or in the cloud, and flexibly optimized. This enables you to improve processes, enhance product quality, and unlock new business opportunities—using only your domain expertise.

Všeobecné objednávací údaje

Číslo objednávky	2885120000
Typ	MB-AZ-3-Trial

Technical data**Rozměry a hmotnosti**

Čistá hmotnost	0 g
----------------	-----

Shoda produktu s prostředím

Stav souladu se směrnicí RoHS	Není ovlivněno
REACH SVHC	Ne SVHC nad 0,1 wt%
