Partition plates and end plates are essential accessories for terminal blocks. Partition plates provide optical and electrical separation of different potentials and functional groups, increasing safety and ensuring a clear structure inside the control cabinet. End plates close the terminal block row on the sides, protect against contact with live parts, and ensure a clean, stable finish. Both components are precisely matched to the respective Weidmüller terminal block series, contributing to safe, compliant, and professional wiring.

General ordering data

Version	End plate for terminals, dark beige, Height: 27 mm, Width: 1.5 mm, V-0, Wemid, Snap-on: Yes
Order No.	0294460000
Type	AP AKZ4
GTIN (EAN)	4008190466268
Qty.	20 items
