Partition plates and end plates are essential accessories for terminal blocks. Partition plates provide optical and electrical separation of different potentials and functional groups, increasing safety and ensuring a clear structure inside the control cabinet. End plates close the terminal block row on the sides, protect against contact with live parts, and ensure a clean, stable finish. Both components are precisely matched to the respective Weidmüller terminal block series, contributing to safe, compliant, and professional wiring.

**General ordering data**

Version	End plate for terminals, blue, Height: 52 mm, Width: 1.5 mm, V-2, PA 66, Snap-on: Yes
Order No.	<a href="#">0380380000</a>
Type	AP ASK1 BL
GTIN (EAN)	4008190126292
Qty.	20 items
Delivery status	This article will no longer be available in the future.
Last order date	2027-04-30T00:00:00+02:00
Alternative product	<a href="#">AP ASK1</a>
