The distribution or multiplication of a potential to adjoining terminal blocks is realized via a cross-connection. Additional wiring effort can be easily avoided. Even if the poles are broken out, contact reliability in the terminal blocks is still ensured. Our portfolio offers pluggable and screwable cross-connection systems for modular terminal blocks.

## **General ordering data**

Version	Cross-connector (terminal), when screwed in, grey, 57 A, Number of poles: 2, Pitch in mm (P): 9.90, Insulated: No, Width: 16.9 mm		
Order No.	0457100000		
Туре	Q 2 SAK10		
GTIN (EAN)	4008190103545		
Qty.	50 items
