Partition plates and end plates are essential accessories for terminal blocks. Partition plates provide optical and electrical separation of different potentials and functional groups, increasing safety and ensuring a clear structure inside the control cabinet. End plates close the terminal block row on the sides, protect against contact with live parts, and ensure a clean, stable finish. Both components are precisely matched to the respective Weidmüller terminal block series, contributing to safe, compliant, and professional wiring.

General ordering data

Version	End and partition plate for terminals, dark beige, Height: 56 mm, Width: 1.5 mm, V-0, Wemid
Order No.	1050100000
Type	WAP 16+35 WTW 2.5-10
GTIN (EAN)	4008190079901
Qty.	20 items
