**Product image**

Partition plates and end plates are essential accessories for terminal blocks. Partition plates provide optical and electrical separation of different potentials and functional groups, increasing safety and ensuring a clear structure inside the control cabinet. End plates close the terminal block row on the sides, protect against contact with live parts, and ensure a clean, stable finish. Both components are precisely matched to the respective Weidmüller terminal block series, contributing to safe, compliant, and professional wiring.

**General ordering data**

Version	End and partition plate for terminals, dark beige, Height: 65.5 mm, Width: 2 mm, V-0, Wemid
Order No.	<a href="#">1050200000</a>
Type	WHP 2.5-35N/10X3
GTIN (EAN)	4008 190139636
Qty.	20 items
