1

The basic element of the modular CH20M housing offers a number of advantages that make it an excellent choice for your projects. With special cut-outs for bus and FE contacts, it is particularly flexible and adaptable. Another plus point is the option of laser printing on the housing, which offers you high precision and individual design options. A wide range of colors is also available so that you can design the housing entirely according to your wishes.

The CH20M housing is also suitable for standard mounting rails, which makes installation and integration into existing systems easier.

#### **General ordering data**

Version	Modular housing, OMNIMATE Housing - series CH20M black, Base element, Width: 22.5 mm
Order No.	<u>1104450000</u>
Туре	CH20M22 B BK/OR 2010
GTIN (EAN)	4032248878888
Qty.	10 items
