**Product image**

Partition plates and end plates are essential accessories for terminal blocks. Partition plates provide optical and electrical separation of different potentials and functional groups, increasing safety and ensuring a clear structure inside the control cabinet. End plates close the terminal block row on the sides, protect against contact with live parts, and ensure a clean, stable finish. Both components are precisely matched to the respective Weidmüller terminal block series, contributing to safe, compliant, and professional wiring.

**General ordering data**

Version	P-series, End plate, dark beige, 2.5 mm
Order No.	<a href="#">1165320000</a>
Type	PAP PTL/PSI 6/10
GTIN (EAN)	4032248990658
Qty.	20 items
Delivery status	This article will no longer be available in the future.
Available until	2023-02-18T00:00:00+01:00
Alternative product	<a href="#">AEP 3C 4 BK</a>
