Accessories especially suitable for the demands of wagon-to-wagon coupling have been developed for the HighPower end-wall connectors and thus significantly enhance the added value of the plug-in connectors. Easy-to-install coding pins ensure reverse polarity protection, plastic cover caps provide sufficient dust protection, while aluminium covers are designed to be absolutely water and dust-proof.

The accessories intelligently round off the overall system.

**General ordering data**

Version	HDC enclosures
Order No.	<a href="#">1479130000</a>
Type	HDC HP SUKA 1P 550A
GTIN (EAN)	4050118373608
Qty.	10 items

**Technical data****Approvals**

RoHS	Conform
------	---------

**Dimensions and weights**

Net weight	12 g
------------	------

**Environmental Product Compliance**

RoHS Compliance Status	Compliant without exemption
REACH SVHC	No SVHC above 0.1 wt%

**General data**

Colour	yellow	Basic material	Polyethylene LD
Free from halogens	false	Protection degree	IP20

**General data**

Colour	yellow	Basic material	Polyethylene LD
--------	--------	----------------	-----------------

**Important note**

Product information	Depending on the intended operation, internally generated voltages can superimpose the working voltage and contain corresponding peaks. It is imperative to ensure that these peak voltages do not exceed the rated voltage. For applications outside of this specification, please contact us.
