Accessories especially suitable for the demands of wagon-to-wagon coupling have been developed for the HighPower end-wall connectors and thus significantly enhance the added value of the plug-in connectors. Easy-to-install coding pins ensure reverse polarity protection, plastic cover caps provide sufficient dust protection, while aluminium covers are designed to be absolutely water and dust-proof.

The accessories intelligently round off the overall system.

General ordering data

Version	HDC enclosures, Number of poles: 3	
Order No.	<u>1488230000</u>	
Туре	HDC HP550 MTA 3P SET	
GTIN (EAN)	4050118298291	
Qty.	1 items	

Catalogue status / Drawings

Basic material	Sheet steel	Series	HighPower	
Important note				
Product information	Depending on the intended operation, internally generated voltages can superimpose the workin voltage and contain corresponding peaks. It is imperative to ensure that these peak voltages do not exceed the rated voltage. For applications outside of this specification, please contact us.
