**Product image**

Partition plates and end plates are essential accessories for terminal blocks. Partition plates provide optical and electrical separation of different potentials and functional groups, increasing safety and ensuring a clear structure inside the control cabinet. End plates close the terminal block row on the sides, protect against contact with live parts, and ensure a clean, stable finish. Both components are precisely matched to the respective Weidmüller terminal block series, contributing to safe, compliant, and professional wiring.

**General ordering data**

Version	Z-series, Partition plate
Order No.	<a href="#">1704340000</a>
Type	ZTW ZDUB
GTIN (EAN)	4008 190948597
Qty.	50 items
Delivery status	This article will no longer be available in the future.
Last order date	2026-06-30T00:00:00+02:00

## ZTW ZDUB

Weidmüller Interface GmbH &amp; Co. KG
