Product image

Partition plates and end plates are essential accessories for terminal blocks. Partition plates provide optical and electrical separation of different potentials and functional groups, increasing safety and ensuring a clear structure inside the control cabinet. End plates close the terminal block row on the sides, protect against contact with live parts, and ensure a clean, stable finish. Both components are precisely matched to the respective Weidmüller terminal block series, contributing to safe, compliant, and professional wiring.

General ordering data

| | |
|-----------------|---|
| Version | Z-series, Partition plate |
| Order No. | 1704340000 |
| Type | ZTW ZDUB |
| GTIN (EAN) | 4008 190948597 |
| Qty. | 50 items |
| Delivery status | This article will no longer be available in the future. |
| Available until | 2026-06-30T00:00:00+02:00 |
