Product image

Partition plates and end plates are essential accessories for terminal blocks. Partition plates provide optical and electrical separation of different potentials and functional groups, increasing safety and ensuring a clear structure inside the control cabinet. End plates close the terminal block row on the sides, protect against contact with live parts, and ensure a clean, stable finish. Both components are precisely matched to the respective Weidmüller terminal block series, contributing to safe, compliant, and professional wiring.

General ordering data

Version	Z-series, End plate
Order No.	1720900000
Type	ZAP ZDL2.5S
GTIN (EAN)	4008190381059
Qty.	20 items
Delivery status	This article will no longer be available in the future.
Available until	2023-03-31T00:00:00+02:00
Alternative product	AEP ITB 2.5 BB
