Product image

Partition plates and end plates are essential accessories for terminal blocks. Partition plates provide optical and electrical separation of different potentials and functional groups, increasing safety and ensuring a clear structure inside the control cabinet. End plates close the terminal block row on the sides, protect against contact with live parts, and ensure a clean, stable finish. Both components are precisely matched to the respective Weidmüller terminal block series, contributing to safe, compliant, and professional wiring.

General ordering data

Version	Bolt-type screw terminals, Partition plate, dark beige, 3 mm
Order No.	1781220000
Type	WTW WF6
GTIN (EAN)	4032248219377
Qty.	20 items
