**Product image**

Partition plates and end plates are essential accessories for terminal blocks. Partition plates provide optical and electrical separation of different potentials and functional groups, increasing safety and ensuring a clear structure inside the control cabinet. End plates close the terminal block row on the sides, protect against contact with live parts, and ensure a clean, stable finish. Both components are precisely matched to the respective Weidmüller terminal block series, contributing to safe, compliant, and professional wiring.

**General ordering data**

Version	End plate for terminals, dark beige, Height: 82.79 mm, Width: 1.5 mm, V-0, Wemid, Snap-on: Yes
Order No.	<a href="#">1784150000</a>
Type	AP VLI1.5 DB
GTIN (EAN)	4032248190140
Qty.	20 items
