The ideal tool for any application

Screwty® is the ideal, all-purpose tool for tightening all common sensor and actuator cables. Even difficult-to-reach round plugs are accessible using the Screwty®. A simple turning movement tightens and loosens the connectors without the need for excessive force. The Screwty® is a unique and global solution since it fits with most cables and plugs from other vendors (over 90 %). The Screwty® consists of a handle with a conventional 1/4" adapter. Thus it can be used for all sizes: for M12 and M8 round plug-in connectors, and for M12F and M8F customisable plugs and sockets, as well as for all M23 plugs and sockets.

## **General ordering data**

Version	Cable gland tool for moulded M12 lines
Order No.	<u>1900001000</u>
Туре	SCREWTY-M12-DM
GTIN (EAN)	4032248436408
Qty.	1 items
Packaging	Cardboard box

Catalogue status / Drawings
