**The ideal tool for any application**

Screwty® is the ideal, all-purpose tool for tightening all common sensor and actuator cables. Even difficult-to-reach round plugs are accessible using the Screwty®. A simple turning movement tightens and loosens the connectors without the need for excessive force. The Screwty® is a unique and global solution since it fits with most cables and plugs from other vendors (over 90 %). The Screwty® consists of a handle with a conventional 1/4" adapter. Thus it can be used for all sizes: for M12 and M8 round plug-in connectors, and for M12F and M8F customisable plugs and sockets, as well as for all M23 plugs and sockets.

**General ordering data**

|            |  |
|------------|--|
| Version    | Cable gland tool for moulded M8 cables |
| Order No.  | <a href="#">1900010000</a>             |
| Type       | SCREWTY- M8                            |
| GTIN (EAN) | 4032248375844                          |
| Qty.       | 1 items                                |
| Packaging  | Cardboard box                          |
