Product image, Similar to illustration

The ACT20X-HTI-SAO / 2HTI-2SAO temperature transducers record temperatures from PT100 sensors and thermocouples from Ex zone 0. Current loops from 0(4) to 20 mA can also be connected on the input side.

On the output side, there are active and passive current loops available for the safe zone.

Integrated alarm contacts issue an alert in the event of a malfunction; this makes troubleshooting easier and increases system availability.

The rail-mounted current output isolators are optionally available in one- or two-channel versions.

With 11 mm width per channel, the devices need little space in the electrical cabinet.

General ordering data

Version	EX signal isolating converter, Ex-input: I, 9, Safe-output: 4-20mA, 2-channel, Input : Temperature, 4-20 mA, EX, Output : 4-20 mA, Safe
Order No.	2456190000
Type	ACT20X-2HTI-2SAO-P
GTIN (EAN)	4050118471588
Qty.	1 items

Part description

Product description	<p>The devices of the ACT20X-HTI-SAO-S family transmit analog signals galvanic isolated from hazardous areas to the safe area. For this purpose the input circuits are designed intrinsically safe.</p> <p>Features</p> <ul style="list-style-type: none"> • Configuration and diagnosis via FDT/DTM Software "WI-Manager". • The device can be mounted in the safe area and in zone 2 / division 2 and receive signals from zone 0, 1, 2, 20, 21 and 22, as well as Class I/II/III, division 1, group A-G. • The passive signal inputs for RTD, TC and mA are made for one or two channels and completely electrically isolated. • The two-channel version is suitable to use as a signal splitter. • As cold junction compensation for the TC signal input, either the internal cold junction compensation or for even higher accuracy an external cold junction compensation terminal is used. • Extended self diagnostic: Monitoring of error events and cable breakage via the individual status relay. • Front LEDs indicates operation status and malfunction. • 3-way galvanic isolation between input, output and power supply.
