Future-proof solutions for industrial electronics for mounting in the control cabinet

Electronichousings are crucial for the integration of electronic assemblies in the control cabinet. They protect sensitive components and ensure reliable connections. Thanks to high-quality materials, they offer long-term solutions for industrial applications.

## Your advantages:

Flexibility: Scalable solutions for different requirements Safety: Robust design to protect your electronics Efficiency: Simple installation and optimized connection technology

## Housing solutions for every application:

Our portfolio includes modular housings (e.g. CH20M), small housings and profile housings designed for control, signal conversion and safety applications. These housings offer customizable designs, easy mounting and high connection capacity.

#### **Customization:**

In addition to standard solutions, we offer customization in design, color and printing. The Weidmüller Configurator enables individual design.

### Our service:

We offer expert advice and technical support for your projects. In the download area you will find CAD data, data sheets and installation instructions for efficient integration.

### **General ordering data**

Version	Hood, OMNIMATE Housing - series CH20M Agate grey, Side element cover, Width: 17.5 mm	
Order No.	<u>2554740000</u>	
Туре	CH20M AD SHL 5.00/03 AGY 3747	
GTIN (EAN)	4050118564792	
Qty.	50 items
