The protective housing is manufactured from seawater-resistant aluminium using pressure die casting. High standards of water and dust protection, as well as particularly high impact resistance, are the hallmarks of this housing series.

A sophisticated two-stage surface coating ensures years of reliability.

All screws, crimp contacts and other exterior accessory parts are made of corrosion-resistant stainless steel.

**General ordering data**

Order No.	2568600000
Type	<a href="#">HDC HP550 STGH CR 1P</a>
GTIN (EAN)	4050118776621
Qty.	1 items

## Technical data

### Approvals

Approvals

### Dimensions and weights

Net weight 431 g

### Environmental Product Compliance

RoHS Compliance Status Compliant without exemption  
 REACH SVHC No SVHC above 0.1 wt%

### General data

Design of housing	Bulkhead housing	UL 94 flammability rating	None
Colour	black	Housing main material	diecast aluminium
Surface finish	Powder-coated	Free from halogens	false
EMC housings	Yes	Protection degree	IP68, in plugged condition

### General data

Colour	black	Surface finish	Powder-coated
--------	-------	----------------	---------------

### Important note

Product information Depending on the intended operation, internally generated voltages can superimpose the working voltage and contain corresponding peaks. It is imperative to ensure that these peak voltages do not exceed the rated voltage. For applications outside of this specification, please contact us.

### Classifications
