Partition plates and end plates are essential accessories for terminal blocks. Partition plates provide optical and electrical separation of different potentials and functional groups, increasing safety and ensuring a clear structure inside the control cabinet. End plates close the terminal block row on the sides, protect against contact with live parts, and ensure a clean, stable finish. Both components are precisely matched to the respective Weidmüller terminal block series, contributing to safe, compliant, and professional wiring.

### General ordering data

Version	End plate for terminals, dark beige, Height: 81.3 mm, Width: 2.1 mm, V-0, Wemid, Snap-on: No
Order No.	<a href="#">2871850000</a>
Type	ALEP 4C 4
GTIN (EAN)	4064675639978
Qty.	20 items
