Weidmüller Industrial Security Routers

- Secure networks
 - Stateful packet inspection Firewall
 - IP/Port- forwarding
 - Network segmentation
- Easy integration of machine networks into manufacturing networks through 1: 1 NAT
- Secure and easy remote maintenance with Weidmüller u-link remote access service
- Enable modular and future proof network architectures with static and dynamic routing
- Secure communication over the Internet by using IPsec and OpenVPN
- Reliable internet connection via integrated 4G/LTE cellular modem, independent of on-site infrastructure (only applicable to variants with integrated cellular modem)
- Full flexibility thanks to Fast Ethernet and Gigabit Ethernet interfaces ranging from 2 up to 4 ports.
- Suitable for use in demanding maritime applications (only applicable to variants with DNV certification)
- WLAN access point functionality for local wireless service access (only applicable to variants with integrated WLAN interface)

General ordering data

Version	Router smartcard,
Order No.	2909820000
Type	IE-EBR-SMARTCARD-SR
GTIN (EAN)	4099986227361
Qty.	1 items

Technical data

Approvals

ROHS	Conform
------	---------

Dimensions and weights

Net weight	6 g
------------	-----

Temperatures

Storage temperature	Operating temperature
---------------------	-----------------------

Environmental Product Compliance

RoHS Compliance Status	Compliant
REACH SVHC	No SVHC above 0.1 wt%

Technical data

Supported in router model	Hardware revision	AA
	Supported router model	IE-SR-4GT , IE-SR-4GT-LTE/4G-EU , IE-SR-4GT-LTE/4G-USEMEA
	Hardware revision	AI
	Supported router model	IE-SR-4TX
	Hardware revision	AJ
	Supported router model	IE-SR-4TX-LTE/4G-EU , IE-SR-4TX-LTE/4G-USEMEA
	Hardware revision	AA
	Supported router model	IE-SR-4GT-M
Purpose	Memory card for saving and loading a router's configuration file	

Important note

Product information	Please note the compatibility of the hardware revision of the router with the SCM card.
