Partition plates and end plates are essential accessories for terminal blocks. Partition plates provide optical and electrical separation of different potentials and functional groups, increasing safety and ensuring a clear structure inside the control cabinet. End plates close the terminal block row on the sides, protect against contact with live parts, and ensure a clean, stable finish. Both components are precisely matched to the respective Weidmüller terminal block series, contributing to safe, compliant, and professional wiring.

### General ordering data

Version	Partition plate (terminal), dark brown, Height: 65 mm, Width: 2 mm, V-2, PA 66
Order No.	<a href="#">3833500000</a>
Type	TW DK4 HP/DBR/2
GTIN (EAN)	4008 190009052
Qty.	20 items
