Partition plates and end plates are essential accessories for terminal blocks. Partition plates provide optical and electrical separation of different potentials and functional groups, increasing safety and ensuring a clear structure inside the control cabinet. End plates close the terminal block row on the sides, protect against contact with live parts, and ensure a clean, stable finish. Both components are precisely matched to the respective Weidmüller terminal block series, contributing to safe, compliant, and professional wiring.

### General ordering data

Version	Partition plate (terminal), beige, Height: 58 mm, Width: 1.5 mm, V-2, Polyamide 66
Order No.	<a href="#">3877960000</a>
Type	TW RSF3 PA
GTIN (EAN)	4008190132323
Qty.	10 items
