When working with live voltages, you must follow special guidelines and use special tools - tools which have been specially produced and tested for this purpose.

Weidmüller offers a complete line of pliers which comply with national and international testing standards.

All pliers are produced and tested according to DIN EN 60900.

The pliers are ergonomically designed to fit to the hand form, and thus feature an improved hand position. The fingers are not pressed together - this results in less fatigue during operation.

General ordering data

Version	Diagonal-cutting pliers
Order No.	9041470000
Type	UNIVERSAL CUTTER
GTIN (EAN)	4008190397777
Qty.	1 items
Delivery status	This article will no longer be available in the future.
Last order date	2026-02-28T00:00:00+01:00
Alternative product	KSE 160
