Klingenbergstraße 26

D-32758 Detmold

Germany

www.weidmueller.com

Weidmüller is a specialist in the cutting of copper or aluminium cables. The range of products extends from cutters for small cross-sections with direct force application right up to cutters for large diameters. The mechanical operation and the specially designed cutter shape minimise the effort required.

With its wide range of cutting products, Weidmüller meets all the criteria for professional cable processing.

General ordering data

Version	Cutting blade
Order No.	9041520000
Type	CUTTY
GTIN (EAN)	403224806655 1
Qty.	1 items
Delivery status	This article will no longer be available in the future.
Available until	2026-02-28T00:00:00+01:00
Alternative product	SLICER 1K
