Partition plates and end plates are essential accessories for terminal blocks. Partition plates provide optical and electrical separation of different potentials and functional groups, increasing safety and ensuring a clear structure inside the control cabinet. End plates close the terminal block row on the sides, protect against contact with live parts, and ensure a clean, stable finish. Both components are precisely matched to the respective Weidmüller terminal block series, contributing to safe, compliant, and professional wiring.

General ordering data

Version	SAK Series, End plate, 1.5 mm, beige, Direct mounting
Order No.	9509630000
Type	AP KSKM
GTIN (EAN)	4008190456771
Qty.	20 items
Delivery status	This article will no longer be available in the future.
Available until	2026-05-30T00:00:00+02:00
