Partition plates and end plates are essential accessories for terminal blocks. Partition plates provide optical and electrical separation of different potentials and functional groups, increasing safety and ensuring a clear structure inside the control cabinet. End plates close the terminal block row on the sides, protect against contact with live parts, and ensure a clean, stable finish. Both components are precisely matched to the respective Weidmüller terminal block series, contributing to safe, compliant, and professional wiring.

General ordering data

Version	Partition plate (terminal), red, Height: 23.4 mm, Width: 0.3 mm, HB, PVC
Order No.	9525900000
Type	SPPL SAKR
GTIN (EAN)	5027357067413
Qty.	100 items
