

MB-AZ-3-Trial

Weidmüller Interface GmbH & Co. KG
Klingenbergstraße 26
D-32758 Detmold
Germany

www.weidmueller.com

ModelBuilder by Weidmüller empowers machine and process experts to create powerful machine learning models—without any programming skills. The software guides users step by step through data import, visualization, and model training. Models can be built quickly, deployed locally or in the cloud, and flexibly optimized. This enables you to improve processes, enhance product quality, and unlock new business opportunities—using only your domain expertise.

Datos generales para pedido

Código	2885120000
Tipo	MB-AZ-3-Trial

Datos técnicos

Dimensiones y pesos

Peso neto 0 g

Conformidad medioambiental del producto

Estado de cumplimiento de la directiva RoHS No afectado

REACH SVHC Sin SVHC por encima del 0,1 % en peso
